

March 31, 2020

Dear Patients and Friends,

We would like to take a moment to thank you all for your patience and understanding. We would like to update you to precautions we are taking to continue to keep our community safe. We are contacting our patients to reschedule routine and non-emergency care visits per state, CDC, and ADA guidelines through April 30 in order to slow the spread of the COVID-19 virus.

Our Winsted office will remain open for phone consultations and emergencies. The doctors will be available for tele-dentistry via the Medici app for ill patients, those exposed to COVID-19, or those unable to travel to the office at this time.

Please visit our website, www.cwdentistryllc.com or our Facebook page for continued updates. During this uncertain time, Dr. Cavoli and Dr. Wasko remain committed to the dental and health needs of our community and look forward to seeing your smiles soon!

Yours in health,

Dr. Kim Wasko and Dr. Robert Cavoli
