Dear Patients and Friends,

We are so grateful that both our Winsted and Terryville offices have been open and safely serving our patients dental needs per state, CDC, and ADA guidelines.

Following these guidelines, we ask that our patients who are not vaccinated, continue to wear a mask when entering and leaving the office. If you are not feeling well or have any symptoms, please call us to reschedule your appointment.

Please visit our website, [www.cwdentistryllc.com](http://www.cwdentistryllc.com) or our Facebook page for continued updates. Dr. Cavoli and Dr. Wasko appreciate all our patients' efforts in helping to keep our community safe and healthy.

We look forward to seeing your smiles!

Yours in health,

Dr. Kim Wasko and Dr. Robert Cavoli
